SECOND CONNECTICUT LUPUS CHARITY GOLF CLASSIC

-In Memory of Annmarie Coccozza -

Monday, May 22nd

Chippanee Golf Club Marsh Road Bristol, CT

Annmarie Coccozza -

This was our **Annmarie**...beautiful on the outside, but consumed by Lupus on the inside. She was born in New Jersey on March 22, 1967 and moved to Southington, CT at the age of 10. She was diagnosed with **Lupus** in her early teens. At first glance, many people did not know how sick she really was, because she made a point of always looking her best. They did not see the numerous surgeries, except for her family who would never give up hope. During remission periods, Annmarie would spend her time helping others who battled this debilitating disease, **Lupus**.

The 2005 event raised \$25,000 for research.

With **your** help we can make 2006 an even more successful year!
